Whilst reasonable care has been taken in the preparation of this brochure, the construction of the scale model and the showflat (collectively the "Collaterals"), the Vendor and its agents do not warrant or represent the accuracy of the Collaterals and will not be held responsible for any inaccuracy or omission in the Collaterals. The statements, information and depictions in the Collaterals may not be relied upon as statements or representations of fact and they are not intended to form any part of the offer or the contract for the sale of the housing units. In particular, any visual representations such as pictures, art renderings, depictions, illustrations and drawings are artistic impressions only and cannot be regarded as representations of fact. The brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances supplied shall be provided subject to the Vendor's architects' selection, market availability and the sole discretion of the Vendor.

All information contained in the Collaterals, including equipment, materials, fittings, finishes, installations and appliances description, plan and specifications, are current at the time of print and are subject to such changes as are required by the Vendor and/or the relevant authorities. The floor areas stated in the brochure, scale model and/or showflat are only approximate measurements and are subject to final survey.

The Sale and Purchase Agreement shall form the entire agreement between the Vendor and the purchaser and shall supersede all statements, representations or promises made prior to the signing of the Sale and Purchase Agreement and shall in no way be modified by any statements, representations or promises made by the Vendor and/or its agents.
